CALENDAR NOTES - SPRING 2019

Wake Forest University School of Law

1-17-2019

COURSE #	TITLE	DATES AND PERTINENT INFORMATION
305-3	Professional Responsibility	2 credit class meets for 3 hours weekly, first 2/3 of semester, until April 9.
455-0	Juvenile Law Externship	Students will have significant time commitment Tuesday and/or Thursday morning which is when Juvenile Court is in session.
457-0	Introduction to Private Equity Law	1 credit class meets Feb. 28 - March 2
516-3 & 4	Secured Transactions	This class will be synchronous, online.
Selected	Law, Literature and Culture	In addition, the class will meet a couple of Thursday evenings to view films for class discussion.
553-0	Litigation Drafting	This class will meet T, Th, F in January and February, only T and Th in March, and only T in April.
556-0	Taxation: Corporations and Shareholders	Although it is a 2 credit class, it will be scheduled as a 4 credit class would be scheduled and will run from the start of the semester until the midterm (1/14-3/8/19). Then, in the same block, in the second half of the semester from the midterm until the final, a 2-credit Partnership Tax class will be taught which will build on this course's themes.
603-2	Litigation Externship Clinic	This class involves an intensive deposition training to be held March 22-23.
604-2	Elder Law Clinic	Class meets Wednesdays 4:00-5:50 p.m. and Fridays (TBD - until the end of February).
610-0	Trial Practice	The "intensive" class sessions for ALL sections will be held Jan. 11-12. Individual Labs will meet until final trials and video reviews conclude which is usually sometime relatively soon after the mid-semester break. End dates will vary by lab section.
620-0	Securities Regulation	Classes run from Jan 14 - Apr 03 — thus, the course is front-end-loaded: (1) class lectures are offered online (synchronously OR asynchronously - choice of student). Students may register for another class during this time block, if they wish; (2) in addition to online lectures, students participate in out-of-class group work; (3) self-scheduled final exam happens during exam period.
623-0	Great Jurists	3 credit class meets for 2 scheduled hours weekly, third hour selected by class for movies.
630-0	Taxation: Taxation of Partnerships	Please note that this class is now being taught in the second half of a 4 credit hour block (from the Spring midterm until the Spring final; 3/11-4/26/19). In the first half of that same block, I will teach Corporate Tax + tax considerations relevant to entity choice. Technically, it is 2 credits (Corporate Tax) + 2 credits (Partnership Tax) if you complete the full Spring semester, which you should. Or, you can enroll just in Corporate Tax for 2 credits and leave us at the midterm. Or, IF YOU HAVE ALREADY TAKEN Corporate Tax, you can enroll in the second half of the semester from the midterm to the final and pick up 2 credits for Partnership Tax.
653-0	Real World Ethical Corporate Lawyering	This class meets during a two-week period, Feb. 11-22.
661-0	Comparative Advanced Torts	This class meets M, T, W, Th for three weeks, April 1-19.
854-0	Scholarly Writing - Seminar Paper	This 1 credit class meets M 4:00--5:50. However, it will not meet the entire semester.
